The Tarkine Cost Progress Group is a voluntary group working for the whole community to enhance economic growth In Circular Head.

The Tarkine Coast Progress Group (previously Circular Head Progress Group) was formed in 2008 to represent a broad segment of businesses in the wider areas, including industry, retail and service.

We are passionate about the future of our community and working to promote a vibrant, competitive and commercially viable business district.

Benefits of becoming a member of the Tarkine Coast Progress Group include:

- *Receive regular communication on a wide range of information of interest (distribution to members only)*
- *Representation of your business issues to local and state government*
- *Opportunity to attend Business Forums and Skills & Training Programs*
- *Support and networking opportunities; connection with the wider business community*
- *Involvement in Community Events*
- *Opportunity to recognise economic benefit from TCPG “mission statement” achievements*
- *The satisfaction of knowing you are supporting the whole community not just your business or you as an individual, this non-for profit group are volunteering their time for the benefit of the whole region and by becoming a member you are investing in Circular Head and its economic development*
